*Dear Members -*

Do I detect a tinge of warmth in the air? Welcome to our 100th. year as a competitive Cricket Club with a long and proud history, still ranked at the fore-front of Grade Cricket in South Australia.

Further tributes to our strongly competitive cricket presence over the past 100 seasons have been painstakingly compiled and are now recorded for your pleasure in this very special Souvenir Issue of our Club Newsletter...

Firstly, I must extend a very warm Adelaide welcome to our new Club Coach **Sean Watt**, his wife **Cheryl**, 5 year old daughter **Caley** and 2 year old son **Todd**. Sean has met most of the senior grade players by now and is settling in for what we hope will be a successful season.

Welcome also to **Brett Bevan** and **Blake Lenthall** (from Southern) and **Tarque Williamson** (formerly of Glenelg) who have all had A Grade experience.

I must also welcome new faces on your Club Management committee: **Judy Nobes** has been appointed Administration Officer and **Brenton Barrett** is our new Treasurer.

We also bid farewell to **Chris** and **Simone Davies**. Chris has taken up an admin. position with the Australian Cricketers Association and so must reside in Melbourne. We all owe a huge vote of thanks to Chris for his great contribution to South Australian Cricket at both first-class and club level.

Centenary celebrations begin with the opening round, XXXX Gold Cup game against Glenelg at Glandore, on 1st. October. This round is to be called 'Long Live Cricket!' and is sponsored by Cricket Australia. All First Class players are available to play for their clubs so we can look forward to "Dizzy" playing for the Buffalos! Before the game begins we are planning to have a flag raising ceremony, where we will unfurl our new Centenary Flag, and during the lunch interval there will be other celebrations depending on the weather...

Cricket Australia is providing us with 100 'Show Bags' for the kids and a bat for autographing for us to use as a fund-raiser.

Round SIX (3rd. & 10th. December) is our **Centenary Match** where we will be playing Prospect (North Adelaide) on the Adelaide Oval. We have booked the Ridings Room at Adelaide Oval on the Saturday Night of the 10th. Dec. for our first Centenary Dinner where the DVD of our history will be released, among other celebrations. More about this function when we get a little closer...

Much has been said about this being our Centenary Season - and much more will be said! I urge **all members** and **supporters** of Adelaide to get behind your Club's Committee to make this season one to be remembered for another 100 years! Yes, there is most definitely a hint of warmth in the air...

*Bob Harris*

# OUR FIRST MATCH

From a newspaper report published on Monday, September 18, 1905:

"A meeting was held on Tuesday evening, at 23 Waymouth St., for the purpose of completing amalgamation of the East Adelaide & West Adelaide Cricket Clubs. Alderman Johnson presided over a large attendance. The report of the sub-committee appointed to draw up the rules was submitted by Mr. H. Blinman, and the rules as read were adopted.

A resolution, proposed Mr. G. Giffen, and seconded by Mr. H. W. Short - "That the East Adelaide and West Adelaide cricket clubs amalgamate in terms of the resolution passed at the meeting of the Cricketing Assoc.' was carried. The following officers were elected: Patron, the Governor; vice-patrons, Drs. Swift and W. Magarey; president, Mr. G. Dutton Green; committee, Messrs. Sullivan, Sands, Cowan, Leak, Travers, and Blinman. Messrs. S. J. Dailey and A. S. Toms were appointed delegates".

(A separate meeting was convened and a 2nd. club was formed to join in the Second Grade, which was re-formed with the aim of strengthening the 'A' Grade team with promising College players).

The New Club's first A Grade match was a 2-day Game starting Saturday, October 7 with completion on the following Saturday. The Newspaper published the following summary on Monday, October 9, 1905...

## A GRADE. ADELAIDE VERSUS NORTH ADELAIDE.

District club cricket opened in fine weather on Saturday. A considerable number of people assembled on the Neutral Ground to watch the game between Adelaide and North Adelaide, and some fair cricket was witnessed. Adelaide won the toss and remained at the wickets the whole afternoon, losing nine wickets for 170.

A prominent feature of the innings was the stand made by Travers and Sparks for the sixth wicket, 52 runs being added before the pair were separated. For the last few seasons Travers's batting has steadily improved and by the way he shaped up on Saturday ... his hitting was clean and confident, & formed a great contrast to the scratchy game he played a couple of seasons back. Going in with the score 44 for four wickets, Travers remained in possession until the total had been taken to 116, and he hit 5 fours. Rees ultimately bowled him middle stump with a beauty.

Sparks played in a slower game than his partner, and was not out 39 when stumps were drawn. He received valuable assistance from Richardson, who contributed 28 out of the 49 put on by the eighth wicket. Bailey, Magarey, and Leak showed glimpses of form, and it is evident the Adelaides are a strong combination. When C. B. Jennings, who was away on Saturday, returns, the team will have a strong lot of batsmen, and with Short, Travers, and Cowan leading the attack, the side will not want for respectable bowlers. It seems that Claxton will not play for the Norths again, which is a very big loss. On last years form, Claxton is the best all-round man in the State.

Rees bowled admirably on Saturday, his length being difficult, and his pace well mixed. His three wickets cost 68 runs, but allowance must be made for the runs due to the rough outfield, which greatly aided the batsmen. Gibbons dismissed a couple of good men, and Reedman, who went on late in the afternoon, got rid of two men cheaply. The fielding of the North Adelaide men was loose, but the ground was all against them".

The same paper summarised the end of the exciting match on the Monday following the 2nd. week's play:

"The match between Adelaide and North Adelaide was continued on the Neutral Ground on Saturday, and provided a remarkably exciting finish, Adelaide win-

ning by the narrowest possible margin. A week previously Adelaide made 170 for the loss of nine wickets, and on Saturday the innings closed after a single run had been added. On going to the wickets North Adelaide started badly, Rees failed to score, and Jennings, Fellow, and Stevenson gave little trouble, four wickets going down for 12.

Drew, of whom great things are expected, managed to reach double figures, and helped J. C. Reedman to take the score to 26 for the fifth wicket. From this point the batting underwent a complete change. Reedman played a fine innings of 35, and found a staunch partner in H. M. Jay, who is one of the most promising batsmen turned out by the colleges during the last year or two.

He is a left-hander, with a graceful and effective style, & promises to become a useful hitter. The total was 86 when Reedman left, and then Jay and then McKechnie put on 26 for the seventh wicket, McKechnie contributing 11. The eighth wicket fell at 126, and the ninth at 142, and it looked a pretty easy thing for Adelaide.

However, Aveyard, the last batsman, played a careful game, as Jay hit, and soon after 5 o'clock the Norths had crept up to within one run of their opponents' total. Excitement was now intense among the players and spectators, each ball being watched with eager interest.

A shout of delight and disappointment went round the field when Jay was brilliantly caught by Bailey off Cowan in making what would have been the winning hit - had a less capable fieldsman been in Bailey's place. Adelaide were thus victors by 1 run.

Jay played a sterling innings of 89 - more than half the runs made during the afternoon. He hit 9 fours.

A feature of the game was the fine fielding of Cowan, who brought off two splendid catches in the slips".

## Did You Know?

Adelaide bowled out Kensington for only 119 at the Kensington Oval in 1954/55 with SEVEN of the ten batsmen adjudged out LBW...

\*\*\*\*\*

In our winning Grand Final against West Torrens at Adelaide Oval in 1958/59 TWO of our batsmen left the field when one wicket fell. After baulking to avoid a mid-wicket collision, Bob Lee was run out and Leon Hill retired - with a leg injury.

\*\*\*\*\*

During the 1925/26 season, ACC bowler Eric Wickens managed to strike the stumps on THREE separate occasions without dislodging a single bail!

East Adelaide and West Adelaide amalgamated in September, 1905 and in the ensuing 100 seasons 506 Players have represented our Club at 'A' Grade level.

\*\*\*\*\*

Ken Cunningham is our youngest debutante - 15 years and 75 days old when he debuted in 1954/55.

\*\*\*\*\*

George Giffen is the oldest player to represent our club at A Grade level. George was 51 years and 8 months when he finished at the end of the 1910/11 season.

\*\*\*\*\*

Joe Travers, who finished his career in 1921/22 at 51 years, 2 months, scored his maiden A Grade century aged 50 years & 3 months against

West Torrens at Adelaide Oval in 1920/21. Joe's 101 was his ONLY century in a career which spanned 32 years (17 years with Adelaide from 1905/06 - 1921/22).

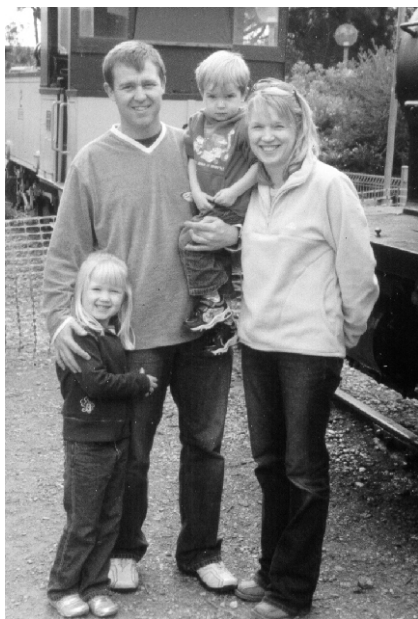

\*\*\*\*\*

Adelaide's third highest run scorer A J (Bulla) Ryan (6220 runs at a respectable 56.03) was also a very fine footballer. 'Bulla' kicked seven goals in the last quarter of an SA v Vic match in 1928.

\*\*\*\*\*

Our highest ever wicket-taker, Ron Sharpe, (587 wickets @ 20.39) NEVER played a first class match! However, Ron DID represent SA in Baseball, and has been referred to as 'one of the top three Pitchers' ever produced by Australia...

# Our 'Centenary' Coach...

**Family Coach**  
*Clockwise, from left:  
Caley, Sean, Todd  
and Cheryl*

I would first like to start by saying what a great privilege it is to be associated with the Adelaide Cricket Club.

I am very excited about the prospects ahead - as we are undoubtedly one of the most successful clubs in South Australia - but it is up to all of us to continue to strive for success and not to simply sit back thinking others will do it for them.

The way forward is through a strategic plan linking local government, local business and the cricket community.

Local councils and cricket clubs are an essential part of the promotion of our club and the game of cricket in general, and I am looking forward to developing and sharing this plan with you as the season progresses.

Player retention is a major concern at most clubs these days (as there are no limitations to movement of players between district cricket clubs) so we must ensure that our

communication is open at all times and that each player always has the opportunity to discuss issues with the relevant people as they arise. For example, player movement between the grades must be done in a professional manner with honest explanations given.

Promoting the club atmosphere, maintaining a good relationship with players and providing quality coaching and programmes that will help guide players in reaching their potential, will aid in player retention.

The season starts in less than a week, and the seniors have been training well for some weeks now.

Please feel free to come up at any time to say hello to my wife Cheryl and our two young children Caley and Todd. They, like me, are really looking forward to meeting you all at some stage during the season - to enjoy a social drink or two back at the club...

## JUNIOR REPORT

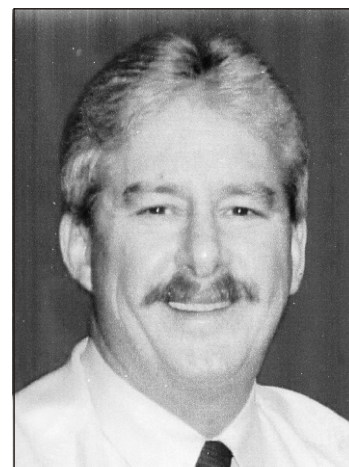

Obviously, **2005/6** - our **Club's Centenary Year** - is set to be an exciting season for the Adelaide Cricket Club. It's therefore quite important that we perform well both on and off the field.....

**Peter Sawade**, father of present player Ryan Sawade, has been appointed to the all-important position of **Junior Coach**. Peter comes to Adelaide after stints coaching Scotch and Immanuel Cricket First X1's & is a Level 2 accredited Coach. I'm extremely confident that Peter will tackle

his new task in an enthusiastic and capable manner!

This year's selection trials have been well attended with great numbers trying out for positions in the **Ray Sutton Shield** and for **U/16** teams exceeding all our expectations. As a result, due to the number and the quality of players that tried out, we have decided to enter an **U/17 side** in the Adelaide Turf Cricket Assoc. Southern Division.

Details of all Adelaide's **2005/6 Junior Training Squads** chosen are listed on the following page for your information .....
