PRESIDENT'S REPORT

The past twelve months have been a most significant period for the Adelaide Cricket Club. During this time we have:

1. Acquired the Park 23 permit and clubrooms, which gives us the option of re-establishing our headquarters within the City of Adelaide.
2. Obtained a substantial grant from the Commonwealth Government for upgrading the Park 23 facilities, which enables us to realise our dream in the shorter rather than the longer term.
3. Successfully resisted a challenge to the long term viability of our club, resulting from the ill-concerned proposal presented to the media by some delegates that we relocate down South and merge with Southern Districts.
4. Initiated a development program for Aboriginal cricketers in co-operation with the State Aboriginal Affairs Department.
5. Arranged a successful past players day which involved contact with some quality performers from our past.

These achievements are all additional to the 'normal' activities of a cricket season. They must surely represent one of the most concentrated efforts over the recent history of our club.

On-field performances were also significant. From an individual perspective we congratulate:

- Lee-Anne Hunter on her selection in the Australian women's cricket team; a huge achievement in any sport.
- Ben Johnson on being offered a partial scholarship to the AIS Cricket Academy.
- Ben Hook on winning the West End trophy for the SACA batting aggregate in A Grade; the first time for 17 years this has been won by an Adelaide player.
- Chris Davies for winning the Syd Daly trophy for performances in C Grade cricket.
- Karen Rolton and Donna Laity for selection in the women's U21 State side.
- Brad Birrell and Abel Podger for selection in the U17 State side.
- Daniel Worthley, Stuart Smyth and Adam Barton for selection in the U17 combined Shell Shield side.

A season in which we won five premierships would in normal circumstances be considered successful. As the premierships were not at A grade level we cannot be entirely satisfied with our season.

Nevertheless, we congratulate the premiership winners in C and D Grade men's competition, B and C Grade women's completion and the U17 Shell Shield. These were significant achievements by all those involved.

Many people contributed a lot to enable us to run a cricket club of our size and standing. My thanks to the Committee for all their efforts, particularly to the Executive, Robert Cairney (a well deserved winner the CEC Starr Award), Leon Milford and Jan Hinkly.

The support of all our club sponsors are invaluable. Particular thanks goes to Bone Timber Industries, Jardine Australian Insurance Brokers and BS Stillwell Ford for their substantial assistance.

We also appreciate the work put in by Steve Trenorden, Shane Bernhardt, the captains of all teams and the junior coaches and managers. A great deal of time and effort has been given by you all to improve the standard of cricket throughout our club.

Thanks also to the many people who help out around the club, with the clubrooms, grounds, managing teams, scoring and fund raising. The efforts of John and Andrew Ramage in putting together much of the sponsorship and awards for the season is also acknowledged. All these tasks are vital and we appreciate all those who contribute.

Next year is even more important for us as SACA moves to a pennant cricket competition. We have big plans and high hopes. I encourage you all to give your support to make Adelaide Cricket Club successful at the highest levels of competition.

ROD HOOK
Club President

PARK 23

Last year 57 members and families and friends of the Adelaide Cricket Club came together to raise over \$13,000 to help purchase our future home at Park 23, West Terrace, Adelaide. Without this support the purchase would not have been possible.

The club as a whole is indebted to these people, and these members and friends who have not contributed to our rebuilding program are urged to reconsider.

Earlier this year our club won a Federal Government Grant of \$40,000 to assist with the extensions required on the Park 23 rooms, unfortunately the extensions will cost approximately \$50,000.

Can you help to raise the extra \$10,000?

COACHES REPORTS

MEN'S REPORT

Under a structured rebuilding process based on talent and youth significant steps were undertaken to re-establishing a success dominated environment.

The development of a new disciplined environment and more so, the approach and attitude of players were highly targeted areas.

We will be pursuing and providing 'A' Grade opportunities to those who are prepared to work and commit themselves to higher standards of performance. Far too long Adelaide players have been satisfied with mediocre and somewhat inconsistent performances.

The future must contain stability, opportunity, good leadership and continued on field success.

While some individual goals may have, in part, been met during the season it is important that everybody connected with the Adelaide Cricket Club understands that the team goals have yet to be realised.

If we as a club are to achieve our potential then it will be necessary for all sections of the club to work in cooperation with each other. With this correct attitude spreading to all sections the development of the Club can only benefit the young players who progress through the Adelaide Cricket Club system.

Whilst many look forward to next season it will not just happen. It will still need to be MADE TO HAPPEN.

Congratulations to all premierships players and award winners in the club.

With a new awareness, coupled with player depth and development, our greatest desire of 'the premierships club' awaits.

Stephen Trenorden

WOMEN'S REPORT

To take over the coaching role of three sides who all achieved premierships the previous year is a very daunting task. But to do so mid way through the season after they had been messed around with various on again/off again coaching sagas makes it even tougher.

However, to the credit of the players involved it didn't take me long to feel comfortable in the role and I sincerely thank them all for accepting me in the manner in which they did.

As we now know, the B and C Grade were able to repeat their feats of the previous season and bring home yet two more premierships. Congratulations to all the girls who participated in these sides. Disappointingly, the A Grade struggled for a good part of the year but finally scraped into the final four in the last match. In doing so they certainly instilled fear into the other three finalists. Unfortunately, the weather didn't support us during the semi-final and we lost the opportunity to play the following week after dictating the match for almost two days.

There is a host of talent within the ranks of the women's sides and a huge amount of genuine enthusiasm for the game. Although the future looks bright, we cannot afford to be complacent in our approach to next season and must look to continually improve and develop our playing personnel.

Without doubt, the women can play a very important part in the success of the Adelaide Cricket Club and I am pleased to see that things are heading in the right direction.

We can look forward to season 1993/94 with a good deal of optimism.

Shane Bernhardt

A GRADE REPORTS

MEN'S REPORT

Adelaide Cricket Club standards at A Grade level this season was unacceptable.

Any loss is a disappointment but to continue without self analysis and evaluation is not worthy of the top level in any sport.

To have a successful cricket team we need players with:

- talent
- enthusiasm
- discipline
- mental toughness

and above all a genuine want to succeed and enjoy the highest level available.

When we have eleven players each week with all these characteristics success will be guaranteed.

There were signs of progress within the side with players such as Ben Johnson and Ben Hook. The leaders of the emerging youth.

The youth of the side is plentiful and the exposure to these young men will harden and increase our depth.

Our course of action is a relentless pursuit of the success of which we are capable.

The terrific challenge for this team is to be part of a direct movement to the top of the premiership table and to remain there.

Thanks to John, John, Brian, Andrew and the players for their support.

To the ladies and supporters - thank you.

Stephen Trenorden

WOMEN'S REPORT

The season started with it usual interruptions of rain. The first game reverted to a one day game which we won. In the second game we weren't so luck losing a two day game against Clarence Park by 12 runs (again rain interrupted). The next game we won playing Salisbury, then lost against Sturt. Our game against Eencee_(one dayer) was very close with Adelaide winning by 5 runs. The next game we lost against Adelaide University mainly due to poor bowling. Rain caused the last game before Christmas to be abandoned. Things after the Christmas break did not get any better with many games being lost due to the team not performing well in all aspects of the game. Some weeks the team batted well and bowled/fielded poorly, other weeks the reverse happened. The team was very unsettled straight after Christmas due to the unavailability of players due to injury, national championships etc. Julie Thomas took over as captain and did a good job considering the circumstances. During this time she led from the front by scoring well in matches as did Karen Rolton.

Due to the many lost games Adelaide found themselves sitting sixth and would have to perform very well in the last minor round game against Salisbury (4th). We battled well scoring 7/215 dec. Highest scores were L Hunter (52), J Thomas (47), K Rolton (41) and D Laity (28). By stumps Salisbury were 3/7. The following week they slowly progressed to be all out for 97. We batted again and were 1/28 at stumps. After working out all points scored we made 4th position by 19.

In the semi-final we played Adelaide University. We won the toss and batted scoring 9/211. But yet again rain played a major role in the outcome. We lost 2.5 hours play which meant we had to bowl 84 overs or get them out (they could play for a draw). We didn't manage to win but if circumstances were better, maybe a different result would have occurred.

Lee-Anne Hunter

B GRADE REPORTS

MEN'S REPORT

The 1992-93 B Grade performances could be split into two halves. The first half a depressing low due to a combination of factors, many new players, a new captain, very poor weather conditions and above all some extremely poor performances by the players.

The second half was a complete turnaround which saw the side just miss out on a place in the final four. The players confidence and belief in themselves lifted, a better balanced side was picked and most importantly the players worked a lot harder as a unit and individually.

Overall Twenty Six players were used in the B Grade which is a very large turnover. Of these players, sixteen represented the A Grade side during the season. There are some very exciting youngsters in this group who I believe could develop into good A Grade players in the future.

There are always people to thank during a season and this year is no different. Firstly Graham Birrell, our Team Manager, who did a first class job. Many thanks especially from the Captain. To the Team Scorer, statistician, Kylie Birrell also many thanks for a job well done. To the ladies who prepared afternoon tea at home games, many thanks.

Congratulations for the C and D Grade teams on winning their premierships, a terrific performance by both sides. Also congratulations to all the trophy winners.

Finally to all players who participated in the B Grade this season, my thanks for your support.

Chris Price

WOMEN'S REPORT

The season started slowly due to the weather and lack of players. After Christmas the team pulled together and worked hard to finish up in second place on the ladder winning 8 games in a row to take out the premiership. This also was due to our coach Shane's efforts on the training track.

Individual efforts during the season:

Club Trophy Winners	Batting - Laura Giarretto
	Bowling - Jackie Caldecourt

Special efforts throughout the season:

Laura Giarretto who played after Christmas scored a total of 432 runs at 88.90 from only 6 innings including centuries in the Semi-Final and Grand Final.

Maryanne Young also started after Christmas and made a well deserved century as well as a solid years batting performance.

Wendy Jamieson - keeper and opening bat gave a solid years effort.

All round effort by first year players Cheryl Marano and Nat Tuting.

Kellie Weaver, Wombat, Lyn Omeara, Lynn Cummings put in a top effort all year.

Special thanks to Julie Wilson for helping out with numbers in the finals.

Also special thanks to the Tuting family for their support and help throughout the season and to our coach, Shane for being a great coach, look forward to his coaching next year!

Jackie Caldecourt

C GRADE REPORT

MEN'S REPORT

After 21 seasons of cricket, one doesn't remember too many individual deliveries in a match. However, one particular ball bowled by Jason Gillespie in the 92nd over of the Grand Final, I will remember forever. In retrospect it probably wasn't that good of a delivery, but it provided me with a simple catch at mid-off to dismiss Elizabeth fifty five runs short of our target. Personally it was my first taste of premiership success at a senior level, and very much worth waiting for.

In a season which was dictated to a large extent by the weather, our C Grade side made the most of every opportunity and finished the minor round in top position.

Losses against Kensington in Round 6 and University in Round 10 were our only blemishes. However, these performances were overshadowed by our outright wins against Woodville and Port Adelaide, and our last over victories against the highly fancied Elizabeth and West Torrens outfits.

Although we were the 'powerhouse' side of the competition, excluding Chris Davies, no other individual dominated our performances. Almost as if a script had been pre written, a different player would contribute when needed and provided a match winning performance. I have no doubt that this was the main ingredient of our success.

Our individual statistics are not all that outstanding, but statistics are there to be interpreted any way you like. I'm sure that if you speak to the boys involved, they will tell you a far different story.

As we know, Chris Davies was the exception to the rule. 202 overs, 37 wickets for 465 runs at 12.6 a piece. The S P Daly medallist for the most outstanding C Grade player had a fantastic 'comeback' season.

The value of one or two older guys in the side to support the younger players on their way through is immeasurable. Chris certainly carried the load in the bowling department.

As I now know, premierships are nice, in fact they are fantastic, but it is also great to know that eight players who represented C Grade went on to play A Grade at some stage during the season. Which ever way you like to look at it, we certainly did our job superbly this year.

Congratulations to Darren Williams and his D Grade boys on achieving a much deserved premiership and so to, Jackie Caldecourt and Karen Bishop and their successful B and C Grade Women's sides. Grand Finals are special, as is the bonding of players who win them. I am certain that the Club can build on these results and really benefit from that first weekend in April.

Probably the most difficult task for a captain (apart from tossing the coin!) is to prepare this report. In doing so this year I read a number of previous reports to assist me and was surprised to note that the premiership line-ups were never mentioned. So to Shane Wisdom, Gavin O'Reilly, Damien Kitto, Brenton Kitto, Akash Segal, Paul Amato, David Cruickshank, Ricky Mitchell, Jason Gillespie, Chris Davies and Michael Avon (12th), your names now appear in history.

In closing, a few people deserve big thank you for their support this year. Anne Avon, Dale Curry and Alan Mitchell were fabulous and looked after all the scoring and managerial responsibilities for me during the season.

To all the players who played C Grade this year (25 in total), thanks for your contributions and support. I wish you well for your future.

Five premierships during 1992/93, four other sides with a finals appearance and also, a new home. Has the Adelaide Cricket Club turned the corner?

Shane Bernhardt

C GRADE REPORT

WOMEN'S REPORT

The season was a great success in terms of a premiership win. The team finished in third place on the ladder, putting in two solid final efforts to take out the premiership.

The season started frustratingly in terms of bad weather and very few games, lack of players and no coach. Then along came Shane as our new coach, the weather improved and players committed themselves more, resulting in our premiership win.

Individual efforts during the season:

Club Trophy Winners	Batting Bowling	Karen Bishop Nat Rooke
Special Efforts during the season	Lyn White Teresa Crowe B J Burgin Sao Palmer Rachel Andrews Chris Stacey Sam Anthony Genevie Jamieson Helen Carter	Consistent batting & a well deserved century First year wicket keeping All round efforts All round efforts All round efforts All round efforts First year players First year players First year players
Special Thanks to	Miranda Bradley Shane Bernhardt	Scoring excellence A great coach

Karen Bishop

JARDINE AUSTRALIAN INSURANCE PTY LIMITED

Proud sponsors of Adelaide Cricket Club

Women's Teams 1992/93 Season

D GRADE REPORT

The 1992/93 season was a most successful year for the D Grade side. Throughout the year the team managed to carry through an unbeaten record which included a spirited grand final victory over Southern Districts. The grand final side players were:

Tim Mabelson
Justin Schmitt
David Forster
Warren Mitchell

Grant Lovering
Kevin Rimmer
Trevor Neate
Brad Birrell (12th Man)

Scott Heywood
Adam Barton
Simon Hatji

In a tense and tight struggle, it was to the boys credit that they were able to show the character and poise required to be a premiership team. Whilst success at D Grade level is not the overall objective of our club, all I could ask of the players was that they perform well and win games of cricket. On almost every occasion the players did not let me or themselves down and many of them were able to place pressure on players for positions in a successful C Grade side. In essence, that is the whole reason for having our C, D and E Grade sides. They are the first stepping stones for our careers in the 'senior' sides, the A and B Grades.

It would be unfair not to recognise the fine individual performances by some of the players in the side. These include:

Gavin O'Reilly
Paul Hutchison
Brenton Kitto
Gavin O'Reilly
Warren Mitchell

142 v Port Adelaide
122 v Sturt
98 v Woodville
92 v Glenelg (Semi-Final)
7/10 v Salisbury

The individual seasons trophies were won by three players who, when given a challenge, were all able to answer them at important times. In the period of the season after Christmas when we needed a solid start to our innings, Gavin O'Reilly could be relied upon to do a good job for the side and he was the winner of this year's batting trophy. Similarly, whenever we looked in trouble in the field, I could turn to two players to swing the game our way. Trevor Neate and Simon Hatji vied strongly for the bowling trophy and Simon sealed his victory only in the final innings of the regular season. The fielding trophy was won by Tim Mabelson whose fielding brilliance highlights this young man's undoubted all round ability.

In closing I would like to express my deepest gratitude to Bob Read for all of his help this season. Without his help on the sidelines my job would have been a very difficult one. Similarly, I would like to thank Trevor Neate for all of his on field guidance. What Trevor doesn't know about the game isn't worth knowing and many times this year his help and leadership was gratefully accepted. To the players I would like to say thanks for a tremendous season and I wish you all every success in the following seasons.

Men's Teams 1992/93 Season

E GRADE REPORT

The season ended on a high for us when we finished the minor rounds on top with 8 wins and 2 losses. We won the semi-final very convincingly, however on the day of the final we didn't put it together and only just lost.

I must say from the outset that I appreciated the support of ALL players who provided advice and support to me during the season. This appreciation goes not just to those who played in my team, but also to the other senior guys who encouraged me during those long and hard training sessions.

I won't mention the individual names of the guys who played in my team, however I will honour all players for their commitment and dedication during the season. When we were facing some difficult situations, the guys pulled together with some impressive efforts and got us to the finals.

Some of the more memorable performances will live in my mind for ever, and I will now share these with you.

- Steve Lowry's 82 and 3/14 off 3.1 overs against Southern Districts.
- Scotty Heywood's 110 and Warren Mitchell's 3/50 off 26 overs against East Torrens.
- Luke Trenwith (7/76) and Warren Mitchell (6/67) against Kensington in which we won outright.
- Grant Lovering's determined and unbeaten 62 against Salisbury.
- Steve Lowry's controlled 88 and Justin Schmitt's brilliant 157 against Tea Tree Gully.
- Dave Brown's 12 overs, 6 maidens 1/11 against East Torrens. This is remarkable because David is not a recognised bowler and it was the first time he had bowled.
- Rob Gregory's 5/44 against Elizabeth which was exciting, however the best part was 3/7 off 7 when 3 of those overs were maidens.
- Steve Lowry's superb 138 not out against Kensington. The Catch of the Season was taken in this game by John Taglienti and which would have done Dean Jones proud. Luke Kennedy also took the second best of the season when he caught one off Tager's bowling (yes I did bowl him) and even the batsman given out applauded Luke's catch.
- Brett Priest (60), Steve Lowry (69) and Rob Gregory (57) batted extremely well to set up a good win in the semi-final against Salisbury, with Paul Robinson chipping in with 5/54 in the same game.
- The bowling efforts of Paul Robinson & Dave Castello in the final must be commended. They bowled their hearts out, however on the day, I accept the blame for our loss by not sticking to our winning formula that was so successful throughout the season.

A special thanks to Anna Forster for doing a great job scoring and Zbig Krawczyk for a very polished and consistent display of umpiring. Also a thank you to Jo Brown for filling in for Anna when Anna had other commitments.

I also acknowledge both my wife Vicki, for her unparalleled support and my permanent 12th man, my son Robbie, who helped out when we were most in need.

Mention must be made of the assistance given me by the Junior Coordination (Trevor Smith) and his colleagues for putting up with my consent demands for players at short notice.

I must thank the committee for their confidence in me to assume the Captaincy of the team. This was a gamble for them as I have never played cricket other than occasionally filling in the previous season for a few games in E Grade.

Finally I think all the players for being supportive of me in my maiden captaincy, and also for being a great bunch of guys to play cricket with. But please, no more jokes about being 3 times the age of one of the players.

And to all the guys that made it up the grades from the E's, a sincere well done, you all deserved the promotion.

I will cherish the fond memories of my first (and last) cricket season at Adelaide. The training was hard, but the wins were oh so sweet. Thanks for the great times guys. I expect to see all of you out there next season ready to go one better (I'll enjoy just being a spectator - my body still aches from some of those bruises in the finals).

Neil Gillespie

JUNIOR COORDINATOR'S REPORT

The main highlight from the Junior Section of the club this season was the winning of the Shell Shield by our Under 17 Team.

Our Under 16 Red and Under 14 Red teams competed in finals with the Under 16 losing their semi-final whilst the Under 14 team's match was drawn in very disappointing circumstances and consequently the boys' finals run was abruptly halted. Both Under 16 White and Under 14 White teams performed admirably with members of both sides continually keeping pressure on the boys in the higher grade.

Many lads had fine seasons with Brad Westley (U/16) and Scott Welsh (U/14) continuing to confirm their immense potential.

I wish to sincerely thank the Junior Committee for all their work and assistance and to the parents who assisted with the organisation of each team. Unfortunately these were few in number however those who did support us did so much, so often, so willingly that without them I am sure we would have had less success.

Finally I take this opportunity to wish all the boys every success in their cricket future.

Trevor Smith

Junior Teams 1992/93 Season

UNDER 17 SHELL SHIELD REPORT

The U17 Shell Shield was a very successful carnival for the Adelaide Cricket Club, and repeated the success of the 1990/91 team. The comradeship and team spirit was of a very high standard and proved to be a significant contributing factor over the 2 weeks, getting us through some very tight situations. Daniel Worthley proved to be an excellent choice as captain with Tim Spawton vice captain, and both boys led from the front whether batting, bowling or fielding, and were an inspiration to their team mates.

We won 6 out of our 7 minor round games, and certainly the 2 run victory against West Torrens in game 5 bowling second was a character building affair. Game 7 the last minor round game against Kensington was a nail biting affair and will be remembered for a long time, as we needed a win and they needed only to draw to go into the grand final. We batted first to score 169 thanks to Tom Crago and Brad Westley, and then had Kensington 5/149 with 10 overs still to bowl and were in a bit of trouble, but the bowling and fielding lifted to see us bowl them out for 168, and Tim Spawton will never forget that last wicket LBW. The grand final was a very solid all round team performance with Salisbury scoring 222 off their 50 overs, but our batting effort against a reasonable bowling attack saw us reach 4/224 off only 42 overs. Peter Williams addressed the boys at the start of the game with one of the best pre match talks I have ever heard, and this had a huge impact on the performance of the boys.

There were 3 outstanding players for us during the carnival of 16 teams, with opening batsman Daniel Worthley the highest rungetter, opening bowler Stuart Smyth the highest wicket taker and Adam Barton voted by the umpires as the best wicket keeper, and these 3 boys were included in the U17 Shell Shield All Stars team of the year to play against the Combined Country U18 team at Park 25 on Sunday 24 February 1993. Congratulations to Daniel Worthley who was also appointed captain of that team. The result of that match was Allstars 1/209 Daniel Worthley 100 N/O, defeated Country 77 Stuart Smyth 2 wickets and Adam Barton taking 2 great catches behind the stumps.

Thank you to all the senior players who talked to the team each morning, Andrew McIntyre, Dave Cruickshank, Rod Hook, Shane Wisdom, Ben Hook, Andrew Ramage and Peter Williams, and your efforts certainly contributed to our success.

Trevor Smith did a top job scoring for us especially in the close games, John Roach the A Grade team manager did an excellent job with the drinks and paper work, and Connie Mitchell prepared a great lunch for us when we played Country. Thanks must also go to Mr and Mrs Worthley for shouting us several pizzas back at the club after the grand final, and to the club who shouted us drinks.

Michael Avon deserves a big wrap as Assistant Coach, being involved in stretching exercises and warm-ups, talks at the drinks breaks, general One on One discussions with the players, and his advice on selection matters was very valuable, and the players all benefited from his experience. It was a big ask to give up 2 weeks of his holidays at 18 years of age, but he did a superb job.

Graham Birrell

RAY SUTTON SHIELD (UNDER13) REPORT

The Ray Sutton Shield Team, our Under 13 primary school team representatives, fared very well in this season's series winning 4 out of the 5 allotted matches and missing out on the final by only a small percentage.

The side was evenly talented with all the boys displaying exceptional skill and showing a wonderful team spirit for their young age.

Marcel Frossinakis batted magnificently throughout the series to head the batting whilst all recognised bowlers performed manfully with Nathan Job revealing immense potential.

It was a most enjoyable series and I do thank the many parents who became involved and assisted in so many ways to help the boys embark on successful cricket careers.

Trevor Smith

UNDER16 RED REPORT

After a disjointed start to the season due to an early bye and several wet Saturdays, the team settled down well to finish the minor round in fourth place. In a very tight low scoring semi-final we went down to Glenelg, the minor premier.

Our batting was our strength with fine performances coming from Brad Westley (407 runs), Simon Masters (372 runs) and Mark Piovesan (368 runs).

Our opening bowlers Brad Nicholas (19 wickets) and Paul Knott bowled very well many times without luck whilst Brad Westley's left-arm spin proved most valuable and effective with Brad taking 20 wickets quite economically.

Our fielding was above average with Ben Mace outstanding and both Mark Piovesan and Anthony Duffill showed great promise as wicket keepers.

I wish to sincerely thank Laurie Nicholas for his untiring assistance in so many ways, Bob Edwards for his generous help with ground preparation etc, Bruce Westley for his continual support and Mike Duffill for his assistance with scoring duties.

Many of the boys from Under 16 move on to senior games next season and I wish them all the best in their cricket future.

Trevor Smith

UNDER 16 WHITE REPORT

The season started with high expectations following a narrow loss to Sturt and a resounding win over Southern Districts.

From that point our batting began to struggle with consistency and inability to adopt to various turf wickets, resulting in four consecutive losses.

We won two of the final few matches with excellent team efforts to finish on a high note.

Highlights of the season included a number of solid innings by Paul Zanetti, Greg Vaughan, Paul O'Dea and Cameron Chapman, together with consistent bowling efforts by Ben Patterson, Ben Newbold and Paul O'Dea. Andrew Croft's wicket keeping improved immeasurably over the season and Ben Patterson and Paul O'Dea gave some brilliant fielding displays.

Congratulations to the trophy winners, Paul Zanetti (batting) and Ben Patterson (bowling and fielding) and to Paul O'Dea for captaincy and leadership.

Thank you to Mike O'Dea and Val Croft for assistance through the season and to all parents for your support.

Alan Stienert

UNDER 14 RED REPORT

The Under 14 Red team enjoyed a very successful year. This was achieved by a consistent team effort from all the players who contributed throughout the season. Overall we finished third on the premiership table which saw us playing in the semi-finals against Tea Tree Gully. Although we were unsuccessful it was not through the efforts of the players who were terrific. What took place on the Sunday was disgraceful, and I hope I never see a repeat performance, enough said.

There were many outstanding performances through the season, for example:

- Scott Welsh 153 and 8/21
- Craig Cirillo 111
- Luke Williams 102 and 103

Also 4 boys from our team were selected to train with SACA U14 Development Squad:

- Scott Welsh
- Jason King
- Luke Williams
- Adam Ball

There are a number of people whom I would like to thank for their contribution to both the teams. Doug Kemp for managing the U/14 White and Peter Williams and John Merritt for assisting. To the parents of the Red team for their support and a special thanks to Ray Ball for scoring throughout the whole season.

Ken Lovering

UNDER 14 WHITE REPORT

Overall the Under 14 White Team had a very pleasing year. From starting the season off poorly, losing early games the team improved out of sight by the end of the year to be considered a contender for the finals. This was brought about by most of the *Ray Sutton Shield* lads coming out midway through the year.

The experience the lads gained and the improvement shown pointed to the coming Under 14 side to be exceptionally strong and very competitive.

As Team Manager I would like to personally thank, Peter Williams, Leyland Marshall, John Job, John Morrell and Trevor Smith. When assistance was needed both on or off the field they never let me down. Congratulations also to James White, David Bowley and Chris Ramsey (Grade Trophy Winners) - **WELL DONE LADS.**
